### Gallery Weekend

Venice, 22, 23, 24 March 2019

Along with exhibition openings in some of the main cultural institutions of the Venetian lagoon, **Gallery Weekend**, organised by **Venice Galleries View** returns for another three-day program of inaugurations and special opening hours in affiliated contemporary art galleries.

From **Friday March 22<sup>nd</sup>** through **Sunday 24<sup>th</sup>**, Venice will be animated by a series of special events, with the aim to highlight the strong bonds of the participating galleries of Venice Galleries View, which have woven a network of partnerships in order to enhance the cultural landscape as well as to sustain the art market in Venice.

With exhibition inaugurations, special events and Sunday openings, the Gallery Weekend aims to offer the public a cultural extravaganza in the name of contemporary art, a great opportunity to get to know the work that the galleries carry out throughout the year, as well as to promote culture and the artists they support.

A detailed programme of events can be found below.
